MATERIAL CHANGES AND COMMITMENT:

The CIRP was initiated which was admitted vide an Order of the Hon'ble National Company Law Tribunal (NCLT), Ahmedabad, dated 2nd May, 2019 under the provisions of the Insolvency and Bankruptcy Code, 2016 ("Code / IBC"). Under CIRP, Resolution Plans have been received and approved by Committee of Creditors (CoC) but further approval of NCLT is still pending. Accordingly, the financial results for the year ended 31st March, 2020 have been continued to be prepared on a going concern basis.

3. DIVIDEND:

In view of the accumulated losses, the Directors have not recommend any dividend neither preference nor equity dividend for the year under review.

4. OPERATIONS:

The revenue from operations is decreased by 97.01 % from Rs. 18,799.28 lakh for the previous year 2018-19 to Rs. 561.95 Lakh for the year 2019-20. The Company expects better performance during the year 2020-21 with expecting increase in demand for PP bags from Cement Sector, which is expecting to perform better due to Government's focus on initiating policy that would ensure time-bound creation of world class infrastructure in the country. However, the prospects depend on the success of the resolution plan as presently the production is suspended due to shut down of the plant.

There is no operation initiated during financial year as company is under CIRP process and order from Hon'ble NCLT is pending.

5. LISTING:

The Equity Shares of the Company are listed on BSE Limited. The Company is regular in payment of Annual Listing Fees. The Company has paid Listing fees up to the year 2020-21.

6. SHARE CAPITAL:

The paid up Equity Share Capital of the Company as on 31st March, 2020 was Rs. 1016.64 Lakh. As on 31st March, 2020, the Company has not issued shares with differential voting rights nor granted stock options nor sweat equity and none of the Directors of the Company hold any convertible instruments.

7. RESERVES:

Your Company does not propose to transfer any amount to general reserve.

8. DIRECTORS:

12. MANAGEMENT DISCUSSION AND ANALYSIS:

a. Industry Structure and Developments:

Gopala Polyplast Limited has been in the HDPE/PP woven sacks industry right from its inception. The Company offers the complete range of HDPE/PP woven bags/ sacks with liner, HDPE/PP woven laminated bags, BOPP coated bags, AD Star bags, Sand Bags which are manufactured in our state of the art manufacturing unit.

Despite being hampered by the Jute Packaging Materials (Compulsory Use in Packing Commodities) Act, 1987(JPMA) by which the Government of India mandates the use of only Hessian (Jute) bags for many high-volume applications like packaging of food-grains and sugar HDPE/PP bags are becoming increasingly popular in India and have caught the eye of many end users for their requirement of packing materials.

Woven polyethylene / polypropylene bags or simply woven HDPE/PP bags are versatile packing materials and are being used as an innovative and cost-effective packaging concept with light weight and the toughest packaging bags, in mainly cement industries, agricultural, sugar, fodder, chemicals, fertilizers, sand, metals and concretes etc. Polypropylene bags have special linings that result in better resistant to humid conditions, in turn, leading to prolonged shelf life of the packed products.

PP (polypropylene) has high tensile strength, making it ideal for use as tough handling material. Because of its high melting point, polypropylene can be hot-filled with products. HDPE bags are used mainly by the fertilizer industry and PP bags are mainly used for the packaging of cement.

So far as Textile Label is considered the growth of organized retailing through huge malls and increase in the demand of ready to wear garments because of changing fashion trends have led to growth in demand of labels.

b. Opportunities and Threats:

Opportunities:

1. Growing industrialization in India, leading to more demand of sophisticated packaging by end customer. The Company is main supplier to cement industry and all major players in cement industries are doing their expansion on regular basis so demand of bags is increasing.
2. With the beginning of organized retailing of agro & food products, the packaging requirement with value added PP bags has emerged creating a new market for the company's product.
3. Poor showing of jute industry. Hence food grain sector shows ample scope in future as government is relaxing the jute packaging orders.
4. Export, retail packing of sugar and food grain shifting to PP sacks segment.
5. Ready to wear garment in domestic market is increasing due to changing fashion trend which is creating a new demand for label product for the company.

Threats:

1. The threats of competition out of new capacities.
2. The company is engaged in the manufacture of HDPE/ PP bags and price of its raw material i.e. plastic granules is affected by fluctuations in crude oil prices and dollar. Domestic market is more price sensitive than quality sensitive
3. The process of making bags from fabric is labour oriented and labour is now in short supply.
4. Products are not bio-degradable. Hence, criticism from certain sector of society as being

dangerous to environment may force government to put some type of restrictions which may adversely affect future growth. However, plastics can be reused and recycled.

5. As per the provisions of Section 17 of the Insolvency and Bankruptcy Code, 2016 (IBC), the powers of the Board of Directors are suspended and the same are vested in the Resolution Professional (RP). The Powers vested with the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee will also be exercised by the Resolution Professional. Until the final resolution all the decisions pertaining to the Company will be taken in consultation with Committee of Creditors as per the IBC Rules and regulations by the RP.

c. Segment wise Performance:

The Company is operating mainly in Woven Sacks Division. The Company is also in manufacturing of Labels.

d. Recent Trend and Future Outlook:

According to a report prepared by FICCI and Tata Strategic Management Group (TSMG) on plastic industry titled 'Plastic packaging is one of the fastest growing industries and stands at USD 700 billion globally. It has grown higher than GDP in most of the countries. In developing country like India, it grew at a CAGR of 16% in the last five years and touched ~USD 32 Bn. in FY 15.

Demand for the Company's products depends on the growth in demand for the products of its user industries, such as Cement (about 60%), Fertilizer (about 15%), Chemicals (about 7%), Food Grains (about 6%), Sugar (about 1%). The Indian woven sack industry is expected to continue to grow at the annual compounded growth rate of 11% to 12%.

In case of Labels demand depends on the growth of Apparel Industry, which is also expected to grow at the annual compounded growth rate of 11% to 12%.

e. Risks and Concerns:

1. Food grain products are restricted to use PP sacks as stipulated under Jute Packaging Materials (Compulsory Use in Packaging Commodities), Act, 1987, which affects the demand. Though the Company is not affected by the said restriction as its major sales is to cement sector which consumes about 60% of production of the Company of PP sacks, it definitely impacts the growth plans.
2. Due to lower margins high production capacity utilization is required in order to earn profit.
3. The company's inventory holding level generally remains high due to the nature of its products. So if there is steep fall in prices then there will be substantial loss in the value of stock held by the company.

f. Internal Control Systems and their Adequacy:

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

g. Financial Performance with respect to Operational Performance:

The financial performance of the Company for the year 2019-20 will be described in the Directors' Report.

h. Material Developments in Human Resources and Industrial Relations Front:

Your Company had undertaken certain employees' development initiatives, which have very positive impact on the morale and team spirit of the employees. We are also creating adequate support systems at our HO which will provide requisite knowledge and data to our sales team. These activities will lead to a more informed and motivated sales team.

10. *The Company has not published any advertisements pertaining to financial results in the newspapers as required u/r 47 of SEBI (LODR) Regulations, 2015.*
11. *There was a delay of 3 days in making disclosure of aggregate shareholding u/r 30 (1) and (2) of SEBI (SAST) Regulations, 2011 as on 31st March, 2019 by the Promoters of the Company .*

12. There is significant uncertainty on the Company's ability to continue as a going concern due to full erosion of net-worth and ongoing CIRP proceedings.

We further report that we have relied on the report of the statutory auditors of the Company with respect to provisions related to audit of accounts and financial statements of the Company. The statutory auditors have issued an adverse opinion with respect to financial statements of the Company for the period under review. The basis for adverse opinion and material uncertainty related to going concern as detailed by the statutory auditors in their report dated 30th July, 2020 have been summarized as under:

| Sr. No. | Summary of basis for adverse opinion made by statutory auditor |
|----------------|--|
| 1. | Inventories – No physical verification of Inventories; Indirect taxes considered as part of Inventory cost; non-maintenance of adequate inventory records at the factory, non-provision for diminution in the value of old and slow moving inventory. Potential Impact- Indeterminable |
| 2. | Trade Receivables – Non-receipt of balance confirmations for Rs. 1,962.91 lakh of receivables; non-provision/ Inadequate provision for Bad and Doubtful debts; Potential Impact- Indeterminable |
| 3. | Deferred Taxes – Absence of convincing evidence that sufficient future taxable income will be available against which deferred tax assets aggregating to Rs. 356.43 lakh can be realized. Potential Impact- Loss after tax higher by Rs. 33.16 lakh and other equity lower by same amount. |
| 4. | Borrowings – Not shown on amortized cost method as required under Ind AS and hence the same are not subsequently measured using the EIR method as per Ind AS 109. |
| 5. | Employee Benefits – Provision for the amount of gratuity liability for the employees on the basis of management's estimate and not actuarially determined & provided for as per Ind AS 19 and also as per the provisions of section 128 of the Companies Act, 2013. Potential Impact- Indeterminable |
| 6. | Fixed Assets – Physical verification of Fixed Assets conducted by employees and not by technical personnel; non-availability of fair value reports of tangible & intangible assets from any technical personnel; non-testing and non-provision for impairment. |
| 7. | Going concern assumption – Material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern due to full erosion of net-worth with current liabilities exceeding current assets by Rs. 11,472.68 lakh and initiation of CIRP; However, Preparation of financial statements by the Company is on a going concern basis. |

Apart from the above the statutory auditors of the Company have issued an adverse opinion on the internal financial controls of the Company.

We further report that:

During the audit period, the Board of Directors of the Company was not duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Woman Director as reported above.

Adequate notice was given in respect of 2 Board meetings held in April, 2019 to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system existed for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision was carried through while the dissenting members' views, if any, were captured and recorded as part of the minutes. Then CIRP proceedings got initiated vide NCLT Order dated 2nd May, 2019 since then the powers of the Board of Directors got suspended and the same got vested in the Resolution Professional (RP). Since then no Board meetings were conducted.

We further report that the Hon'ble National Company Law Tribunal (NCLT), Ahmedabad bench vide its order dated 2nd May, 2019, has admitted the reference for initiation of Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 (IBC) to initiate appropriate action

GOPALA POLYPLAST LTD.

contemplated in Corporate Insolvency Resolution Process (CIRP) in accordance with extant provisions of Insolvency and Bankruptcy Code (IBC), 2016 and other relevant rules. According to the said order, Mr. Vikash G. Jain (Reg. No.: IBBI/IPA-001/IP-P00354/2017-18/10612) was appointed as Interim Resolution Professional (IRP) w.e.f the date of the said order. Thereafter on 31st May, 2019, the meeting of Committee of Creditors was held, whereby Mr. Vikas G. Jain, was duly appointed as Resolution Professional (RP). Hence, as per the provisions of Section 17 of IBC, the powers of the Board of Directors are suspended and the same are vested in the Resolution Professional (RP).

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Report on the Audit of the Financial Statements

Corporate insolvency Resolution Process ("CIRP")

The Hon'ble National Company Law Tribunal, Ahmedabad ("NCLT") by an order dated May 2, 2019 admitted the Corporate Insolvency Resolution Process ("CIRP") consequent upon an application filed by Bonus Plastics Private Limited u/s 9 of Insolvency and Bankruptcy Code and appointed Mr. Vikash Gautamchand Jain as the Interim Resolution Professional ("IRP") in term of the Insolvency and Bankruptcy Code, 2016 ("Code") to manage the affairs of the Company as per the provisions of the Code. The CIRP is ongoing.

Adverse Opinion

We have audited the financial statements of Gopala Polyplast Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters described in the *Basis for Adverse Opinion* section of our report, the accompanying Ind AS financial statements do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020, its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Adverse Opinion

1. In respect of Inventories, during the reporting period, the management has not undertaken physical verification of Inventories at periodic intervals and has not obtained any technical /market/commercial evaluation for the inventories. Hence, we are unable to comment on the realizable value of the same, which may be lower than the amount at which it has been reflected in the balance sheet. Indirect taxes are also considered as part of Inventory cost. The Company has not maintained adequate inventory records at the factory. No provision has been made on diminution in the value of old and slow-moving inventory. The impact of the above remarks, presently not ascertainable and, therefore, cannot be commented upon.
2. In respect of Trade Receivables amounting to Rs. 1,962.91 Lakhs, we have not received balance confirmations from the debtors. The realisability of these amounts is doubtful and company has not made any provision for Bad and Doubtful debts in respect of these receivables, other than specified in Note no. 36. In our opinion, the provision made is inadequate and the impact on loss and carrying value of trade receivables could not be ascertained.
3. Note 31C (xviii) to the standalone financial results, in respect of recognition of deferred tax assets on account of carried forward unused tax losses and other taxable temporary differences aggregating to Rs. 356.43 lakhs. The Management of the Company is confident that sufficient future taxable income will be available against which such deferred tax assets will be realized. However, in our opinion, in absence of convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized, such recognition is not in accordance with Indian Accounting Standard 12 "Income Taxes" (Ind AS 12). Had the aforesaid deferred tax assets not been recognized, loss after tax for the year ended on March 31, 2020 would have been higher by Rs. 33.16 Lakhs and other equity would have been lower by same amount.
4. The borrowings have not been shown on amortized cost method as required under Ind AS. Hence the same are not subsequently measured using the EIR method as per Ind AS 109.
5. The present liability for future payment of gratuity as on March 31, 2020 is not actuarially determined and provided for as per Indian Accounting Standard – 19 (Ind AS 19), "Employee Benefits" and also as per provisions of Section 128 of The Companies Act, 2013 relating to preparation of books of account

on accrual basis. However, the Company has provided for the amount of gratuity liability for the employees on the basis of the management's estimate. In the absence of actuarial valuation report, the quantum of short provision of gratuity and its impact on the Statement of Profit and Loss for the period ended March 31, 2020 cannot be determined.

6. As reported in Note 32 to the standalone financial statements, in respect of physical verification conducted by the employees and not by any technical personnel, fair value reports of fixed assets of Rs. 3245.34 lakhs for Tangible Assets and 1.70 lakhs for Intangible Assets as at March 31, 2020 are not available from any Technical Personnel. The said assets are not tested for impairment and hence no provision for impairment has been made. In absence of any alternative corroborative evidence, we are unable to comment on the recoverability of the same.

Material Uncertainty Related to Going Concern

We draw attention to Note 30 and 31C (i) to the financial statement, wherein it is indicated that the company has incurred a loss of **Rs. 2,070.36 lakhs** during the year ended March 31, 2020 due to which its net worth has been fully eroded and as of the date, the company's current liabilities exceeded its current assets by **Rs. 11,472.68 lakhs**. Corporate Insolvency Resolution process (CIRP) has been initiated for the Company on May 2, 2019. These conditions indicate that a material uncertainty exist that may cast significant doubt regarding on the company's ability to continue as a going concern and therefore the company may be unable to realise its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying standalone financial statement.

The Resolution Professional had invited Resolution Plans from prospective Resolution Applicants refer to Note no 47, by way of issuing invitation for Expression of Interest in newspaper as public Announcement. The Resolution plan based on highest quote or benefit to the stakeholders was approved by the Committee of Creditors ("CoC") which is pending for approval by Hon'ble NCLT.

The above factors cast a significant uncertainty on the Company's ability to continue as a going concern. Pending the resolution of the above uncertainties, the Company has prepared the aforesaid statement on a going concern basis.

Emphasis of Matter

We draw attention to the following matters in the notes to the financial statements:

- a. Note No. 14.1 to financial statements in respect of arrears of dividend on Cumulative Redeemable Preference Share.
- b. Note no. 32, 33, 36 of the financial statements in respect of Physical Verification of Fixed Assets, pending statutory dues and various claims received from Operational, Financial Creditors and Employees and Other Creditors.
- c. Note 34 to the financial statements, in respect of various claims, submitted by the financial creditors, operational creditors, workmen or employee and authorized representative of workmen and employees of the Company to Resolution Professional pursuant to the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulation 2016, that are currently under consideration/reconciliation. Pending reconciliation/admission of such claims by the RP, we are unable to comment on the consequential impact, if any, on the accompanying statement.
- d. Note no 44 to financial statements in respect of Contingent Liabilities.
- e. Note no 47 (a) to financial statements event occurred after Balance Sheet Date in respect of Resolution plan received from M/s. Plastene India Limited, based on highest quote or benefit to the stake holders has been approved by Committee of Creditors ("CoC") which is pending for approval by Hon'ble NCLT Court.
- f. Note No. 47 (d) to the financial statements regarding uncertainties arising out of the outbreak of COVID-19 pandemic and the assessment made by the management on its operations and financial reporting for the year ended 31st March, 2020; such an assessment and the outcome of pandemic, as made by the management, is dependent on the circumstances as they evolve in subsequent periods.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Adverse Opinion section and Material Uncertainty Related to Going Concern section, we have determined the matters described below to be the key audit matters to be communicated in our report.

| Key Audit Matters | How the matter was addressed in our audit |
|---|--|
| <p>I. Revenue Recognition</p> <p>As required by Ind AS 115 Revenue from sale of goods is recognized when the control of the goods has transferred to the customer and when there are no longer any unfulfilled obligations to the customer. Revenue is adjusted for estimated sales returns, discounts and other similar allowances</p> <p>Sales return estimation</p> <p>As disclosed in Note 31(C)(xii) to the financial statements, revenue is recognised net of estimated sales returns. Estimation of sales returns involves significant judgement and estimates since it is dependent on various internal and external factors. Estimation of sales return amount together with the level of judgement involved make its accounting treatment a significant matter for our audit.</p> | <p>Our audit procedure included following:</p> <ul style="list-style-type: none"> - Understanding the process followed by the management for the purpose of identifying and determining the amount of provision of sales returns - Evaluating the data used by the management for the purpose of calculation of the provision for sales returns and checking of its arithmetical accuracy - Comparison between the estimate of the provision for sales returns created in the past with subsequent actual sales returns and analysis of the nature of any deviations to corroborate the effectiveness of the management estimation process; - Considering the appropriateness of the Company's accounting policies regarding revenue recognition as they relate to accounting for rebates and scheme allowances - Testing the Company's process and controls over the calculation of discounts, rebates and customer incentives - Selecting a sample on test check basis of revenue transactions and scheme circular to re-check that scheme allowance as at year end were calculated in accordance with the eligibility criteria mentioned in the relevant circulars - Selecting a sample (using statistical sampling) of credit note issued to the customers during the year and verifying the same is in accordance with the scheme - Evaluating the assumptions and judgements used by the Company in calculating rebates and schemes allowances, including the level of expected claims, by comparing historical trends of claims |
| <p>II. Trade Receivables</p> <p>The carrying amount of trade receivable is Rs.1962.91 lakhs representing 28% of the total asset of the company which is significant.</p> <p>There are customers with large amount of outstanding balances for long period. There are outstanding balances which involves material risk. Management should take into account ageing analysis of the customer and any other factor specific to individual debtor concerned.</p> | <p>Our audit procedures to assess the recoverability of trade receivables included the following:</p> <ul style="list-style-type: none"> - obtaining an understanding of and assessing the design, implementation and operating effectiveness of the Company's key internal controls over the processes of credit control, collection of trade receivables and follow up of overdue balances - evaluating the Company's policy for making allowances for doubtful debts with reference to the requirements of the prevailing accounting standards - assessing the classification of trade receivables in the trade receivable ageing report by comparison |

| | |
|--|--|
| Accordingly, we identified the recoverability of trade receivables as a key audit matter because of the significance of trade receivables to Company's balance sheet and because of the significant degree of management judgement involved in evaluating the adequacy of the allowance for doubtful debts and Rebate and Discounts. | - - with sales invoices and other underlying documentation on a test check basis; Verification of Doubtful Debt & Rebate-Discout done. However, we have not received balance confirmations from the debtors. |

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The above mentioned reports comprising of other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the above mentioned reports comprising other information and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management is responsible for the matters stated in section 134(5) the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity statement of the Company in accordance with the Accounting principles generally accepted in India, including the Accountant Standards (Ind AS) referred to in section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 (as amended). This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial control that we are operating effectively for ensuring the accuracy and completeness of accounting records relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Pursuant to ongoing Corporate Insolvency Resolution Process (CIRP) powers of the board of Directors have been suspended and these Powers are now vested with Resolution Professional (RP).

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control with reference to financial statements that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section 11 of section 143 of the Act, we give in the Annexure-A statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:

- b) Except for the possible effects of the matters described in the Basis for Adverse Opinion paragraph above, in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
- d) Except for the effects of the matters described in the Basis for Adverse Opinion paragraph above, in our opinion, the Ind AS financial statements comply with the Accounting Standards (Ind AS) referred to in section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) The matter described in the Basis for Adverse Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f) On the basis of written representations received from the directors as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of section 164(2) of the Companies Act, 2013.
- g) The adverse remarks relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Adverse Opinion paragraph above.
- h) With respect to the adequacy of the internal finance controls with reference to financial statements of the Company and the operating effectiveness of such control, refer to our separate Report in "Annexure-B". Our report expresses modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- i) With respect to the other matters to be included in the Auditors Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rules 2014, in our opinion and to the best of our information and according to explanations given to us by the management, the requirements of the same are duly complied with as under:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements by way of disclosure in Note no. 44 to the financial statements.
 - ii. Provision has been made in the standalone Ind AS financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and according to the information and explanations given to us, the remuneration paid during the current year by the company to its directors is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director by the company is not in excess of the limit laid down under section 197 of the Act.

Annexure – B to Independent Auditors' Report

Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' of our report of even date

Report on the Internal Financial Controls with reference to financial statements under section 143(3)(i) of the Companies Act, 2013("the Act")

We have audited the internal financial controls with reference to financial statements of Gopala Polyplast Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note"), issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statement based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to and audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain evidence about the adequacy of the internal financial controls system with reference to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining and understanding of internal financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to Financial Statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that,

- (1) Pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts

and expenditures of the Company are being made only in accordance with authorization of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Adverse opinion

In our opinion and according to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2020:

- a) Physical verification of fixed asset and Inventories
- b) Control over Impairment in the value of trade receivable
- c) Assessment of recoverability of Deferred tax assets
- d) Assessment of expected loss by trade receivable which are subject matters of various disputes / arbitration proceedings/ negotiations with the customers due to termination / foreclosure of contracts and other disputes.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Adverse Opinion

In our opinion, except for the possible effects of material weaknesses described in "basis of adverse opinion" paragraph above, the Company has, in all material respects, an adequate internal financial controls systems with reference to financial statements and such internal financial controls with reference to financial controls were operating effectively as at March 31, 2020, based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

NOTE 30:

On an application made by one of the Corporate Creditor, The Hon'ble NCLT, Ahmedabad, vide order dated 02/05/2019 has admitted the application for initiation of Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 (IBC). According to said order, Mr. Vikash Gautamchand Jain, CA has taken charge as IRP on 02.05.2019. As per section 17 of the IBC, the powers of the Board of Directors stands suspended and such powers have vested with the IRP appointed as above.

Further, pursuant to the order of NCLT, a public announcement of CIRP was made on May 06, 2019 and a Committee of Creditors (COC) was formed pursuant to the provision of the code on 25 May, 2019 and COC held their first meeting on 31st May 2019 and inter alia confirmed Interim Resolution Professional as Resolution Professional for the Company. Hence, Term loan, unsecured loan from other Body corporate and related parties etc. has been classified as current borrowings as repayable on demand.

The company is currently under the control of Resolution Professional appointed under IBC by the NCLT with effect from 02-05-2019 for the period of 180 Days or such other period as may be extended by the Hon'ble NCLT, Ahmedabad as per the provisions of section 17(1)(b) of the Insolvency and Bankruptcy Code, 2016, the power of the Board of Directors have been suspended. Further, NCLT extended the period of 90 days of CIRP Period as per order dt. 03.12.2020 and got an exclusion of 45 days thereafter. As per section 134 of the Companies Act, 2013, the standalone financial statements of a Company are required to be authenticated by the Chairperson of the Board of Directors, where authorized by the Board or at least two Directors, of which one shall be the Managing Director or the CEO (being a Director), the CFO and the Company Secretary where they are appointed. In view of the ongoing CIRP, powers of the board of directors have been suspended and these powers are, in terms of the code, now vested with Mr. Vikash Gautamchand Jain, Resolution Professional (RP) to carry out the functions of the Company in his capacity as the RP from May 31, 2019. Accordingly, Financial statements of the Company for the year ended March 31, 2019 were taken on record and authorized for issue by Resolution Professional (RP) on, May 31, 2019.

However, the same have been signed by Mr. Vikash Gautamchand Jain as authorized by Resolution Professional ("RP"). These financial statements have thereafter been taken on record by the RP for filing with the statutory authorities.

NOTE 31: Significant Accounting Policies

A. Compliance with Ind AS:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as issued under the Companies (Indian Accounting Standards) Rule, 2015.

During the year the Company has not revalued its borrowings and preference shares as per Ind As and also not amortized interest on the same as per Ind AS.

B. Basis for Preparation of Accounts:

The financial statements have been prepared under the historical cost convention, except Investments which are measured at fair value. All income and expenditure having a material bearing on the financial statements are recognized on accrual basis. The preparation of financial statements requires estimates and assumption to be made that effect the reported amount of assets and liabilities and revenue and expenditures during the reporting periods. Difference between actual results and estimates are recognized in the period in which they are known/ materialized.

C. Summary of Significant Accounting Policies:

The following are the significant accounting policies applied by the Company in preparing its financial statements consistently to all the periods presented.

i. Going concern assumption

The company has incurred a loss of **Rs.2,070.36 lakhs** during the year ended 31st March, 2020 have fully eroded the Net worth of the company and Company's current liability exceeds its current assets by **Rs.11,472.68 lakhs**. However, the Resolution Professional -"RP" is of opinion that company will continue during CIRP proceedings. The Resolution Professional had invited Resolution Plans from prospective Resolution Applicants refer to Note no 47, by way of issuing invitation for Expression of Interest in newspaper as public Announcemet. The Resolution plan based on highest quote or benefit to the stakeholders was approved by the Committee of Creditors ("CoC") which is pending for approval by Hon'ble NCLT.

Considering the above facts and continuing operations of the Company, the financial statements have been prepared on a going concern basis.

ii. Current verses non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intends to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

However as CIRP process has been initiated all liabilities towards Banking Facilities have been converted in to Current Demands and hence shown under Current Liabilities.

Operating cycle

Operating cycle of the Company is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

iii. Use of estimates and judgements

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumption and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognized in the period in which the result is known/materialized.

Estimation of uncertainties relating to COVID-19 Pandemic (COVID-19):

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian Government, to stem the spread of COVID-19. Due to this, the company's manufacturing operations, distribution centres and extended supply chain partner locations also got temporarily disrupted.

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, advances, property plant and equipment, Intangibles etc. Having reviewed the underlying data and based on current estimates, the company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions

iv. Foreign Currency Transactions:

The Company's financial statements are presented in INR, which is also the Company's functional and presentation currency.

Transactions in Foreign currency are recorded at the rate of exchange in force at the time transactions are effected and exchange difference, if any, on settlement of transaction is recognized in Profit & Loss Account. Monetary transaction balance other than FCDL as on date of Balance Sheet have been reported at exchange rate on Balance Sheet date and difference charged to profit & loss account. Forward contract premium paid on forward contracts are amortized to Profit & loss account over life of such contract.

v. Fair value measurement

The Company measures financial instruments such as Investments at fair value at the end of each reporting period.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability
- Or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in their circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

vi. Fair value measurement (continued)

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is insignificant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Resolution Professional determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and for non-recurring measurement, such as asset held for sale.

External valuers are involved for valuation of significant assets, such as properties. Involvement of external valuers is decided upon annually by the management after discussion with and approval by the Company's Audit Committee. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

However, such fair value report is not available for all assets except equity investment as on 31st March, 2020, Hence impairment Loss not booked for immovable properties.

At each reporting date, management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, The Resolution Professional verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Resolution Professional, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Significant accounting judgements, estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Property, plant and equipment & Intangible assets measured at fair value on the date of transition
- Investment properties
- Financial instruments (including those carried at amortised cost)

vii. Property, plant and equipment

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of Property, plant and equipment are required to be replaced at intervals, the Company recognises such parts as individual assets with specific useful lives and depreciates

them accordingly. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised. However as stated above No Impairment loss is booked on 31st March, 2020.

viii. Depreciation

Depreciation on property, plant and equipment is provided so as to write off the cost of assets less residual values over their useful lives of the assets, using the straight line method as prescribed under Part C of Schedule II to the Companies Act 2013.

When parts of an item of property, plant and equipment have different useful life, they are accounted for as separate items (Major Components) and are depreciated over their useful life or over the remaining useful life of the principal assets whichever is less.

Depreciation for assets purchased/sold during a period is proportionately charged for the period of use, irrespective of actual operation and uses of the assets in question.

ix. Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

x. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortized over their useful economic lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the assets are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss. Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Amortisation

Software is amortized over management estimate of its useful life of 3 years.

xi. Inventories

Inventories of Raw material, Work-in-progress, finished goods and Stock-in-trade are valued at the lower of cost and net realizable value. However, Raw material and other items held for use in

the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Costs incurred in bringing each product to its present location and conditions are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- Finished goods and work in progress: cost includes cost of direct materials and Labours and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.
- Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

All other inventories of stores, consumables, project material at site are valued at cost or NRV whichever is low. The stock of waste is valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

xii. Revenue Recognition:

Sale of Goods

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable including excise duty, net of returns and allowances, trade discounts, volume rebates and GST.

Interest income

Interest is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividend

Dividend Income is recognised when the Company's right to receive is established which is generally occur when the shareholders approve the dividend.

xiii. Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

xiv. Export incentives

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

xv. Investments:

Investments in shares are stated at market value as on date of Balance Sheet and Mark to Mark gain / loss is shown in profit and loss account.

**xvi. Retirement benefits:**

- (i) The Company's contribution to provident fund is charged to Profit and Loss Account.
- (ii) Leave encashment is paid on annual basis every year and charged to Profit & Loss Account.
- (iii) Provision for Gratuity has been made on the basis of management estimate only and not on the basis of professional actuarial valuation report. In the absence of the actuarial valuation, the following details are not provided in the financial statements:
 - a. Quantum of short provision of gratuity and its impact on the Statement of Profit and Loss for the period ended March 31, 2020.
 - b. Due to initiation of CIRP, entire amount of gratuity is shown under Current Liabilities.

xvii. Related Party Transactions:

Disclosure of transactions with Related Parties, as required by Ind AS 24 "Related Party Disclosures" has been set out in a separate statement annexed to this Schedule. Related Parties as defined in Ind AS 24 have been identified on the basis of representations made by key managerial personnel and information available with the Company.

xviii. Taxes on Income:

Provision for current taxes made on the basis of estimated taxable income at the rate applicable to the relevant assessment year.

Tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future, however when there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets.

Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonable / virtually certain (as the case may be) to be realized.

| Calculation of DTA / DTL | 2019-20 |
|---|--------------------|
| DTA(DTL) | |
| Depreciation as per the Company's Act | 5,75,94,058 |
| Depreciation as per the I.T. Act | 4,48,38,492 |
| Amount Eligible for DTA as on 31.03.20 | 1,27,55,566 |
| DTA(DTL) Provision required for the year 2019-2020 | 33,16,447 |

In the absence of future taxable income deferred tax assets on account of unabsorbed depreciation and business losses has not been recognized.

xix. Provisions:

A provision is recognized when Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate has been made of the amount of the obligation. Accordingly, provision for income tax payable has not been done. MAT credit of Rs. 27.21(P.Y. Rs. 27.21) lakhs and unabsorbed depreciation of Rs. 1165.08 (P.Y. Rs. 654.42) lakhs have been ignored for the purpose of DTA provision. Rs210.67 (P.Y. 261.37) lakhs of advance license / MEIS benefits against exports sales is due to the company for F.Y. 2019-20 & F.Y. 2018-19 and raw material consumption cost has been reduced accordingly.

xx. Classification of Subsidy Receivable into Current and Non-Current Asset:

- (a) The Company has received eligibility certificate from concern department regarding VAT concession for amount of Subsidy of Rs 3066.38 Lakhs for 8 years in equal installments. The VAT Concession is for the period of 8 years from 01-01-2014 to 31-01-2021. Amount under Subsidy receivable is treated as Non-Current Assets. The status of subsidy amount as per

**GOPALA POLYPLAST LTD.**

certificate received from concerned authorities is as under.

d) Global Health Pandemic – Covid -19

In the last quarter of financial year 2019-20, we have seen an unprecedented global breakout of the COVID-19 pandemic leading to a humanitarian crisis, lockdown across many countries and a significant economic fallout. The complexity and volatility continue to rise. The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. The nationwide lockdown for 2 months which further got extended at various places to prevent community spread of COVID-19 resulted in significant reduction in economic activities.

In assessing the recoverability of Company’s assets such as Investments, Loans, intangible assets, Goodwill, Trade receivable etc. the Company has considered internal and external information.
